

SPECIAL EVENTS MANAGEMENT

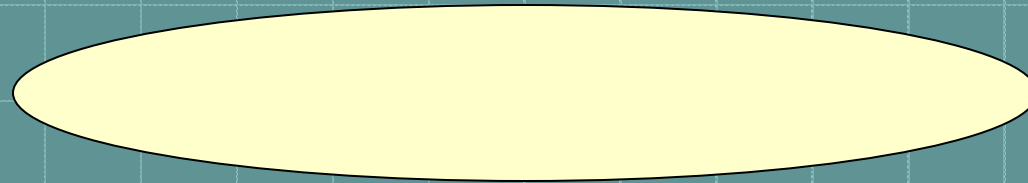

THE PRIVATE SECTOR'S PERSPECTIVE

basil bonner / geoff bettison

Special Events

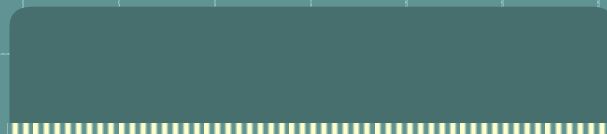

Disaster medicine

Emergency medicine

General trauma

Sports medicine

Private sector involvement – why the interest?

- ◆ Development of EM/sports medicine within this sector
- ◆ Healthcare responsibility awareness - delivery of service to clients/ medical aids
- ◆ Willingness to engage social responsibility
- ◆ Good medical / training / practice sense
- ◆ Legacy of involvement
- ◆ Provision of service

Requirements

- ◆ Communications AND co-ordination
- ◆ Co-operation between all ambulance emergency services
- ◆ Link with all other emergency services:-fire, traffic, police
- ◆ hospital phase – facilitated by the focus on Emergency Medicine.
- ◆ Planning
- ◆ logistics planning

private sector delivery

◆ PREVIOUSLY

- ◆ Low levels of previous involvement
- ◆ less commitment
- ◆ poorly understood task

◆ CURRENTLY

- ◆ Knowledge base growing
- ◆ Experience in planning
- ◆ Logistical support- local hospital involvement, with appropriate support.
- ◆ Resources

Events portfolio -for discussion
